

Fall Food Plot

Why should you plant it?

Parkview Fall Forage Wildlife Blend

A unique Nourishing food blend for wildlife

Our blends provide the largest veracity of seeds in the market. Yes, you can use the other guys and plant winter rye or turnips. That's what everyone is planting these days. Make your food plot a destination spot.

1

DEER & GAME BIRD
ANNUAL BLEND

2

LEGUMES BLEND

3

FALL FORAGE
WILDLIFE BLEND

Trail Camera Pictures from a farm that planted our blends the past two seasons

Look at that rack!

How many points do you see?

Two is always better than one.

Do you see the other deer?

FOR BEST PERFORMANCE

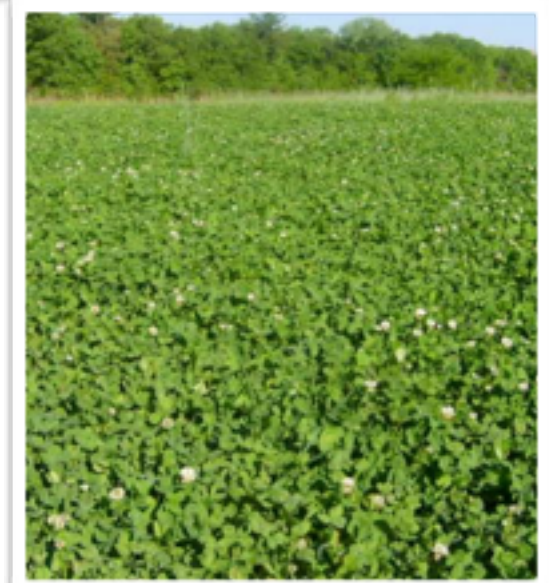

Plan the location

Prepare the ground

Plant

Fertilize

Watch it grow

ADDITIONAL INFORMATION IS AVAILABLE ON OUR WEB SITE
